

**SYNTHESIS OF ART AND SCIENCE IN CONSERVATION:
TRENDS AND ACHIEVEMENTS**

THE 9TH BALTIC STATES TRIENNIAL RESTORERS' MEETING
VILNIUS 2011

Vilnius, Lithuania, 10-13 May 2011

I N V I T A T I O N

Dear Colleagues,

It is great honour and also pleasure to invite you to take part in *the 9th Baltic States Triennial Restorers' Meeting* to be held in Vilnius – a traditional event for restorers, specialists on museums, archives and libraries, art historians and scientists.

The aim of the Triennial Restorers' Meeting is to exchange ideas and develop a new vision for the future of conservation science and practice, discuss case studies, address problems of preventive conservation and those of training conservators.

Three working days of the Triennial (10-12 May) are intended for plenary reports and the presentation of poster reports. English is the working language of the conference.

In the afternoon of 11 May all the participants are invited to visit conservation centres of the museums, libraries and archives in Vilnius. The last day – the 13 of May – is reserved for excursions.

The meeting is organized by Pranas Gudynas Restoration Centre of Lithuanian Art Museum.

The steering committee hopes that the 9th Baltic States Triennial Restorers' Meeting in Vilnius will be a memorable cooperation for all its participants.

We look forward to welcoming you in Vilnius.

Sincerely,

Romualdas Budrys

Director of the Lithuanian Art Museum

Dr. Jūratė Senvaitienė

*Vice-director of the Lithuanian Art Museum,
Head of Pranas Gudynas Restoration Centre*
